1. Version Control

Version	Date	Author	Changes
May 2026	May 2026	L Coleman	New policy created based on the updated guidance (19th January 2026) on the use of mobile phones in schools. The new guidance states that 'all schools should be mobile phone-free environments by default; anything other than this should be by exception only.
September 2026	September 2026	K Pearson	Changes made relevant to St Chad's.

2. Introduction and aims

At St Chad's we recognise that mobile phones and similar devices, including smartphones, are an important part of everyday life for our pupils, parents/carers and staff, as well as the wider school community.

Our policy aims to:

- Promote safe and responsible phone use
- Set clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Potential for lesson disruption
- Risk of theft, loss, or damage
- Appropriate use of technology in the classroom

The DfE's [non-statutory mobile phone guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

- Where smart watches have the same functionality as a mobile phone, our mobile phone Code of Conduct is applicable

Note: throughout this policy, 'mobile phones' refers to mobile phones and similar devices including smart watches .

2. Relevant guidance

This policy meets the requirements of the Department for Education's non-statutory [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy is [Keeping Children Safe in Education](#).

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are responsible for consistently enforcing this policy.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Trust safeguarding Lead is responsible for monitoring and reviewing the policy every two years. The Headteacher is responsible for holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone, while children are present and during contact time. Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members
- 2 factor authentication where necessary

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number 01457875151 as a point of emergency contact.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Bard). Please see more detailed guidance in FA1 Data Protection policy, Online Safety policy, Social Media policy, and Use of AI policy.

4.3 Safeguarding

Staff and volunteers must not give their personal contact details to parents/carers or pupils, including connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson/school trip/activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones for work. Such circumstances may include, but are not limited to:

- Issuing homework, rewards or sanctions
- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct

- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Must not use their phones to contact parents/carers if the staff member's number is visible. Staff can ensure this is not visible by pressing 141 before the number. If necessary, contact must be made via the school office

4.5 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the trust's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils should not be in possession of their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes.

Where children need to bring a mobile phone into school our policy is:

Only pupils in Year 5 or 6 may bring a mobile phone into school, as they are the only pupils with permission to walk to and from school alone.

Once children enter the school gates, mobile phones and smart watches should be switched off.

Staff collect mobile phones on arrival and store them in a secure place.

Children bringing mobile phones into school are aware of and understand the mobile phone code of conduct (appendix 1)

5.1 Use of smartwatches by pupils

The DfE's [non-statutory mobile phone guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in their policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smart watches have wellness and health-related features.

- Where smart watches have the same functionality as a mobile phone, our mobile phone Code of Conduct is applicable

5.2 Exceptions for special circumstances

The school may permit pupils to use a mobile phone in school, due to exceptional circumstances. This will be considered on a case-by-case basis. To request such permission, pupils or parents/carers should contact Mrs Pearson

Any pupils who are given permission must then adhere to the school's code of conduct for mobile phone use (see appendix 1).

5.3 Sanctions

Schools are permitted to confiscate phones from pupils under sections 91 and 94 of the Education and Inspections Act 2006. If a mobile phones is confiscated from a child, parents/carers will be informed and asked to collect the mobile phone and review the Code of Conduct with a member of the Senior Leadership Team.

The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs, disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in Part 1 of [Keeping Children Safe in Education](#)

Certain types of conduct, bullying or harassment can be classified as criminal conduct. The school takes such conduct extremely seriously and will involve the police or other agencies as appropriate.

Such conduct includes, but is not limited to:

- Sexting (consensual and non-consensual sharing nude or semi-nude images or videos)
- Upskirting
- Threats of violence or assault
- Abusive calls, emails, social media posts or texts directed at someone on the basis of someone's ethnicity, religious beliefs or sexual orientation

6. Use of mobile phones by parents/carers, volunteers and visitors

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, or when working with pupils

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, as set out in section 5 above, but must refer any sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day. They must not try to contact their child on their personal mobile during the school day.

7. Loss, theft or damage

Pupils bringing mobile phones to school must ensure they are switched off and labelled so they can be stored securely when not in use.

Pupils must secure their mobile phones as much as possible, including using passwords or pin codes to protect access to the phone's functions. Staff must also secure their personal phones, as well as any work phone provided to them. Failure by staff to do so could result in data breaches.

The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

A copy of this policy, including this disclaimer will be provided to all parents and careers.

Confiscated phones will be stored securely in the school office.

Lost phones should be returned to the school office. The school will then attempt to contact the owner.

8. Monitoring and review

The school is committed to ensuring that this policy has a positive impact on pupils' education, behaviour and welfare. When reviewing the policy, the school will take into account:

- Feedback from parents/carers and pupils
- Feedback from staff
- Records of behaviour and safeguarding incidents
- Relevant advice from the Department for Education, the local authority and any other relevant organisations

If there are any concerns regarding this policy, these should be brought to the attention of the Trust Safeguarding Lead in a timely manner.
